Welcome to Bath Academy

Situated in the beautiful and historic setting of Bath.

Bath Academy is an independent college that specialises in a personalised, tailored education offering both academic and English Language courses to match individual needs of students.

Named one of the safest cities in the UK, Bath is the perfect study destination for those who prefer a compact city which is easily explored on foot, with our two boarding houses a short walk away from our two college locations at Queen Square and Chapel Row

Our smaller college culture makes getting to know each other easier, and our friendly, supportive front office is always ready to listen and help from 8 am to 5.15 pm.

Pre-A Level courses:

Pre-A Level course available for 14-16 year old international to help prepare them for the demands of A Level study.

Students develop their English language, mathematical and academic skills needed to be successful in their A Level studies. Subjects studied include English, Mathematics, Biology, Chemistry, Physics and Business Studies.

The course offers students a comprehensive education which includes social, cultural and physical activities.

Co-curricular opportunities

Bath Academy offers a wide range of extra-curricular activities which change each term depending on the current group of students' interests.

Opportunities include sporting, musical, and dramatic activities. There are many student social events including International Cultural Evenings, Quiz Nights, ice skating and paint balling.

ACHIEVEMENTS

Bath Academy students have received numerous CIFE awards at the House of Lords in recognition of their outstanding academic achievements

Each year CIFE (Council for Independent Further Education) awards a number of prizes to exceptional students. The Paul Kitchener Memorial Prize is awarded for excellence in individual subject areas, and the College Award is given to a student for their outstanding contribution to the college.
